“ Jerry was a good neighbor. We knew if it was cold out because only then did Jerry put on long pants. Otherwise he was in his customary yellow cap, white t-shirt and a pair of shorts. He and I would chat at the mailbox or during a break while mowing our lawns. He was always welcoming and friendly. He would invite me in to admire Niecy's latest paintings. Please accept my heartfelt thoughts and prayers for your loss.

“ I have several memories of Uncle Jerry, some were of the trips of coming up to Illinois to camp out at the park. Here in this house on Seventh St. Keeps me very close to all the family get togethers. Weather it was during the holidays or vacation trips back home and yes some not so happy days with the passing of our other loved ones. When I was little I used to write letters and mailed them our and I would always get another back in the mail. Well I could go on but will say now he will be sorely missed by us. My thoughts and prayers are with you and the entire family. R.I.P. Uncle Jerry I love you and will miss you. Love hugs and kisses for everyone ❤️💋🙏

“ Necie, Mark, Denise, Matt and family, My thoughts and prayers are with you all during this time of sorrow. I loved my visits with this gentle man when he made his way back to Illinois for visits. One great memory I have of Uncle Jerry is he helped me get over the fear of there dog Pierre the poodle. The time the family came to Illinois for his grand daughters volleyball tournaments. We had a great time! Blessings and peace to the family.
