“ We have so many memories. You were a big part of my life for so many years. I love you and miss you. I pray for your family for comfort and peace. I know you were their rock. God will take care of them and you can watch over them from heaven. Even though I know your in a better place, my earthly side is being selfish and wish you were still here. You were always so loving and caring and always there for others. When you saw a need, you stepped up to help. I love you and will miss you deeply. Gwen
