

Joanne Helen Bagley

May 6, 1955 - August 3, 2023

Joanne Helen Bagley was born on May 6, 1955, in Cortland, New York to Raymond and Marguerite Gower Dalley. She passed from this life on August 3, 2023, at her home in Big, Sandy, Texas.

Joanne lived a life full of joy. She was always smiling and laughing. She enjoyed her career as a nurse but loved her family more than life itself. She adored her husband, her girls, and her grandchildren. She spent every moment she could enrich their lives. She looked forward to game nights with the family, tattoos with her daughters, and girls' trips. She loved roses, bears, and wind chimes. Since her retirement one of Joanne's favorite things was sitting in her glider on the porch. She would watch the hummingbirds and greet Bill with a big smile every evening.

Those left to cherish her memory are her husband, William Bagley; daughters Jaclynn Townsend (Dave) and Victoria Dixon; brothers, Edward Dalley (Joann) and Charles Dalley (Nancy); sisters, Susan Moffitt (Bob), Mary Carrier, Anne Kentch (Brian), and Lori Dalley; grandchildren, Jace Townsend (Christin), Joshua Dixon, Seth Dixon, Trevor Dixon, Jacob Pitman, and Alec Garavito; and a great-grandchild, Aiden Townsend.

She is preceded in death by her parents; her son-in-law, James Dixon, and brother-in-law, Eber Carrier.

A memorial service will be scheduled at a later date.

“*Joanne was a nurse coworker. On our later years working together, we had fun laughing and talking about her upcoming trips and events. I knew she dearly loved her family. We lost touch the past few years but I thought of her often and was glad she was finally able to retire. I am grateful to have known her. All blessings to her family.*”

“ I am just so sad she has left me too soon. I could always share anything with Joanne and she still loved me. She was one of the most loving and caring person and was always laughing and smiling. She was a sister to me even though we were not blood related. We worked together and shared so much together ...I hate that we won't be able to do all the things we planned. I will miss you Joanne I wish we could have spent more time together and done some of the things we had planned ...I'm just heartbroken.
