“ I didn't know him well. I was @ Kay's on Christmas Days when Joel was there. I remember him taking a picture of my daughter Jessica, & my granddaughter Taylor, while he said "Now here's 3 generations together". My heart goes out to Kay & her family.

“ Joel always had a beautiful smile and a twinkle in his eye when I saw him. One summer he was trying to make some money so his grandpa, Leon Hall, helped him make a garden and plant potatoes. When they harvested and came to my house Leon started bragging on what a hard worker Joel was. Never complained and happily worked, weeded, watered, and cared for his crop. Then he dug those potatoes like they were gold! Joel tried to look nonchalant but that smile crept out and his eyes sparkled as Leon praised him. I was thrilled for Joel and proud of him. I bought as many as I could and wished I could buy every potato in that truck! They were the best I've ever tasted! Oh, the love that went into his work was delicious 💖 He is his Mother's son. 💖 I love them forever 💖
