“ *I'm so sorry to hear about Johnny. I had the pleasure of subbing for him at the college. We became good friends during my time there. I pray that his family can find comfort in knowing that he loved them very much. I have missed seeing him since he retired.*

“ Prayers for Johnny's family that you may have Peace and Comfort during this saddened time. Johnny has been a lifetime friend and was a 1960 Classmate. We will miss him!

“ Sorry that Johnny suffered so much during his last week's. Johnny was like family during our growing up years. Later he became a skilled welder. Did much welding for me on the farm. For years he served as ward mission leader, worked very hard, and was very successful. We will miss Him! Sorry for missing services as I am recovering from a contagious disease. Charles Tefteller
