“ We are so sorry to hear of Josie's passing. She was part of our family here in Waldron for so many years. She spent so much time with my mom and dad during her younger years. She was so pretty and we had so many happy times with her. Her passing has rekindled so many memories of when we would go places together such as walking to school. I remember playing with her at our house and at her house. I will always remember the trip we took to Texas in the 70's. That was so much fun. I will always remember beautiful Josie and my heart goes out to her family.
