“ Kathy worked with me Spring Hill Bank and we remained friends long after she left. She was one of the sweetest, funniest, and most sincere people anyone one could meet. I know her pride and joy was Denise and David then all of her precious grandchildren. We were all lucky to have had the privilege to have her in our lives. Love you girl. I'll do what I can to help the kids in any way I can.

“ Kathy was always one of my favorite people. We worked together for three years at the City of Gilmer and kept in contact every year since my departure in 2009. She always kept us laughing! Prayers for comfort to her kids and grandkids!

“ Kathy and I shared a lot of good fun and funny memories from her Sweetwater days. I am so sorry her journey has ended. I know she loved her family more than anything. When we talked it was always about her kids and grandkids, You all meant everything to her.
