“ *Kay was a member of our Sunday School class. She always blessed others with her sweet smile and loving personality! I have so many sweet memories of Kay and enjoyed her friendship. She will be missed, but what a blessing it is to know she is no longer in pain and enjoying all the goodness of Heaven!* ”

“ Kay was my favorite cousin. She was a second cousin even though we were the same age. I spent at least one weekend at her home each month when my parents went to visit Mama Marsh (her grandmother and my great grandmother) who lived down the road from her. Then there was the summers and holidays. So many fond memories. We didn't see each other much after I went to college and she got married. We wrote for awhile but after I left Texas, we lost touch. I was able to spend the night with her on my last visit to Texas about 10 years ago. We laughed for hours remembering all the antics that I usually instigated which usually got us in trouble. I look forward to seeing her in heaven. Love to her children.

“ I have known Kay over fifty years. One of my favorite memories of her was several years ago when the BMA of Texas held our state association in Forney. She and Richard opened their home for a delicious “come and go “ luncheon for several family and friends. It was a gracious gift from their hearts. I also remember her sacrificing to travel here to visit her sister Linda when she was near death. Our prayers are with you in our earthly loss and heaven’s gain. Charles Johnson
