“ Keith was the best step dad I ever had. He was kind, loving, and always put a smile on my face. I have so many wonderful memories it’s hard to just tell of one so I don’t mind sharing a couple. When I was young he would walk me into the field and catch my favorite shetland pony “sugar” and try to teach me how to ride. I was so little at the time it was a big ‘ol horse to me, I was scared but he was so patient .He loved to fish and would always take me with him and when I got bored would ask me to go find him some big worms because the ones I found were “the best ones.” 😊 When I was around 10 he told my cousin and I about snipe.. we were so excited to go on our first hunt. We begged him all day to go hunting and Keith told us they only came out at night.. disappointed, we waited and finally it was time we had our bag and sticks ready.! We went out into the field... once we got out there it was dark and scary, he left us and told us he was going to make the snipe run our way to BE READY!.. 20mins later after Joy (my cousin) and I were spooked enough by the coyote howls, the sounds of things crackling in the grass, and him not answering our calls. We found our way back to the house.. when we opened the door he yelled GOTCHA!!! And tickled us to death.We felt so silly 😊 we laughed about that for years. You always treated me like your own and for that I will be forever grateful. You were a lighthearted loving soul. I hope that you found peace in the lords arms. I love you and will always remember the loving impact you had on my life ❤️

With Love,

Kimberly Hawkins Criswell ❤️
