“ This is Caitlin, I went to summer camp just couple days ago and we were told to, on the last day of camp, write something down on a card that was heavy on your heart. So, I wrote about Kristen. After we were instructed to put the card on the stairs I began to cry, and so did everyone else around me. The Holy Sprit had brought us together to know we were not alone. I miss Kristen every single day and I cry A LOT. But, I tell myself that she’s in no more pain and she’s with the Lord.

“ Kristin was a sweet, sweet girl! She was in the children’s choir with us at FBC. We went to the Fort Worth zoo with the kids once, and I remember Sharon going as well and checking Kaitlyn’s blood sugar often. I thought at the time that that was the most loving care I had seen in a while. —i’ve always remembered that example of love. Kristin was a darling little girl- that’s when I knew her best. I’m praying for Sharon and Larry- and for Denise whom I know loved her to pieces!
