“ I worked with Larry at the garage many years ago and thoroughly enjoyed working with him. He taught me a few things along the way too. Always funny to be around. I'm so glad I came to visit him a couple of weeks back. I would feel really terrible right now if I hadn't. Paula and BB I sure am going to miss him just like you will. Thinking of you all right now.

“ So sorry to hear of Larry's passing. He was like family to ours. He and daddy rode back-and-forth to Eastman every day together. Daddy always loved Larry. We all loved him! After I bought my first car, anytime I needed a mechanic, I called Larry. He was funny, he would say, you again? Paula altered my wedding dress and of course I would have to deal with Larry too. He gave me a hard time about getting married. :) we're all gonna miss Larry and his fun personality! Prayers to Paula, and all the kids, grandkids, and Great grandkids! Love y'all!
