“ Our sympathies to Larry's family, from his cousins in Kansas City. I remember him only as a little kid and we called him Larry Gene. His father seemed to feel like an outsider with the rest of the Nance family, and we sadly lost contact with him as the years passed. What made me feel the need to google Larry and see if I could find him, so soon after he passed? Again, we're sorry to find out that Liz, Larry Sr. and Larry Gene have passed on and please accept our prayers and sympathy to the whole family and friends.
