“ *I have fond memories of Leslie via Pokes and You. I adopted 3 precious Pokes from her via Natalie St Louis - Siebert . Learning of Leslie' challenge with cancer initiated many prayer chains supporting her. She had to give up her own Pokes when she moved in with her dad to have help negotiating treatments. To suddenly be lost is heartbreaking. All of our Pokes who have crossed the Rainbow Bridge are welcoming her. Between Leslie and St Francis, our Peke angels will be well cared for .*

“ *Leslie saved so many and was a light and an inspiration. I am so sorry I didn't get to see you again, but I hope you are at The Bridge with all the little souls you saved and you will greet me when I arrive. Rest well, Leslie, and thank you for everything. You are loved and missed.*

“ *I met Leslie on Facebook. We share a love of Pekingeses. Always strong, courageous and honest in her emotions about all life's challenges and its joys. So sad to learn of her passing. She was and will always be an inspiration. I will miss our chats. Fly with the angels, my friend. Prayers for comfort and peace for family and friends.*
