“ *Most people probably won't know who I am, but Dewayne will forever have a place in my heart. I moved from Indiana to Texas and fell into hard times. That man took me in and gave me a place to stay and work to survive when work was scarce. I attended church a few times and even had the privilege of enjoying leisurely company with him. I was thinking about him today and wanted to see if I could find him, and was sad when I seen the news. He is with his wife now and now has peace. Rest peacefully my friend. 🙏*
