I just saw this and want to send my prayers to his family. He was really nice man.. I met Mr English when I worked at the Dairy Queen in Gilmer. He and several other officers would come in for coffee or a soda. He was so nice. I told him once I really like those cowboy hats they wore. The next time he came in he brought me one. I'll never forget that or him. I was just a teenager at the time and he made my day that day. I'm 63 now and it's still one of my fondest memories.

“ As a teenager growing up in Diana, Louie was larger than life to me. He has been a dear friend since my early high school days. Also, he was one of the very reasons I chose law enforcement as my profession. Louie let me ride with him on patrol when I was in high school. He was an encourager to me during my early career. I have now spent the past 46 years in law enforcement and Louie is a great part of that. I began my career at the Gregg County Sheriff's Office, then DEA, ATF and the past 10 years serving as the elected Sheriff of Smith County. I last visited with Louie in Big Sandy at Lois Crow's 100th birthday party. He will be missed. Sorry to be so lengthy, but I wanted you to know Louie was a great encouragement and inspiration in my life. He truly made a difference. I truly believe he as already heard the words, "well done my true and faithful servant".

“ I am having trouble doing this, Louie was one of My best friends, and brother in blue for thirty years, He and I got really closer after having so many challenges before, and after retirement. You will never find a more honorable , loyal, decent, kind Officer, and Person. He made all of us laugh, and showed compassion to those who gave us trouble. I hope Lamona, Kim, Mark and his family can rest easier knowing He earned his place with God, and Jesus. I just cannot find the correct words to express all of our loss. RIP MY FRIEND YOU EARNED IT.

“ *I always loved Louie. When I first met him I was young and always looked up to him as a man of strength and honesty. Him being a state trooper I was always impressed with his opinions . He was fun to be around and a great family member to hang out with and he could serve up a mean catch of Fried catfish , frog legs and cold beer I will always remember his sweet smile RIP Louie thanks you for all you did for your family .
