“ Miss Lovetta was a true gem. I lived across from her for many years. She loved her neighbors. She took care of all of us. She would have our little one over to play with her grandson and would spoil him. He came home all the time with treats that Miss Lovetta would give him. We will miss her visits. We are so sorry for your loss, you are in our prayers.

“ *I'm sorry to hear about Lovetta. She was my first cousin; her dad and my dad were brothers and I gave lots of fond memories from childhood with her. It's been a few months since I texted her and I didn't realize she was sick. Prayers for her children and grandchildren.*

“ *Lovetta was the first friend I had when I moved to Gilmer, Texas. She welcomed me and my dog Boo into her home and we frequently hung around almost daily. She was a loving wonderful person . I am sure we will meet again. Thankyou for allowing me to share in your life and the lives of your granddaughter and great grandchildren.*
