“ My heart was saddened to hear of Lou’s passing. She was a longtime friend and classmate. I have many fond memories as far back as the third grade when we moved to Ore City. She was always a sweet person with a spunky side of you made her! LOL! I know she will be missed by many! Go rest on Heaven’s beaches Lou! We will have another reunion soon! Prayer for all her family and friends.

“ *My Mimi was the most amazing woman I've ever met. She loved the beach, and she loved her family. I remember one time, we went to Galveston, and she came with us. Before she would go out to the water, she'd make sure everyone else was okay before, and if my sister was too scared to go out, she'd sit with her on the beach and just talk, no matter how bad she wanted to be in the ocean. With Mimi, family was always first, and she'd do anything for us.*
