“ *Lynda was the mother in law that anyone would want. She was always so sweet, caring and compassionate. I loved her so much and will miss her terribly. This is the time of year she and I loved to talk about any kind of flowers. She knew so much about gardening and all flowers. We both shared a great love of all things Christmas. Decorating, shopping and wrapping gifts. So many memories with her that we will all cherish forever!*

“ My condolences to all of the Family. Even though I haven't seen Lynda for a long time I kept up with her on Facebook. Lynda and I always were doing crafts and selling at craft shows. Always laughing especially on our trips to Louisiana to see her parents. She always was there to help out if ever needed. She will be missed by many. Love to the boys!
