“ *Buck was our neighbor for over 50 years in what we all call The Big Woods. He was a person who was always available to help in case of an emergency. Kind and generous, he had a wonderful smile. We would pass his house on our way to check the front part of our farm and he would wave every time he saw our vehicle. Sometimes his hunting dogs would cut through the woods to visit us. He had cattle, so this was a topic of conversation when we saw him. Buck will be missed by many people. Our prayers are with the family upon the loss of their loved member who will be greatly missed.*

“ I knew Buck through his mother-in-law, Ruby Starks who was my neighbor and dear friend for many years. She talked about her family a lot and loved them all so very much. My heartfelt sympathy to all of Buck's family.
