“ So sorry to hear of your loss. We just found out of her passing today Friday afternoon. I have such fond memories of this precious lady. All the basketball and volleyball games , school activities. Especially when those referees made the wrong call. Lol. We moved from the area quite sometime ago but there are people you don't forget , an mrs. Mable Jo is one of those people as well as the rest of the family. Even though we moved SHE still took the time to stay in touch with mom an dad. They loved an looked forward to her phone calls. We have such sweet memories. When we found out of her passing we have been going back in time an sharing a lot of memories from the harmony days. Thank you for sharing her with us we will cherish the memories. May God bless an keep you all.

*Love you all,

“ I grew up right across the road from Mable Jo. Many were the times she came across the road to chat. She paid attention to the happenings at our house and never hesitated to call if she saw anything unusual, like more vehicles than normal at an odd time. She was a sweet, caring woman and we'll miss her.

“ Mabel Jo was a very unforgettable woman. I spent a lot of time at the Odom house and loved every minute of it. She was awesome on the volleyball court. I have many memories of having to scrimmage the women's volleyball team. My mom, Mable Jo, Aunt Margie, and Aunt Doris to name a few of the women were probably the best players I ever saw. When mom had her appendix out Mabel Jo came to visit and got mom tickled and it hurt so bad to laugh Mabel Jo got in the closet so mom could quit laughing but every time she came out it would start all over again. She stopped my Uncle Paul and another worker at the Pottery from stealing her lunch. She made brownies with ex lax in them. I love you guys so much and I know how rough it is to lose your mom but a part of her lives on and the wonderful memories are so precious. Next to my mom she was one of the most wonderful ladies I have ever known. God will give you comfort always.
