“ *Mack was my brother's age. My brother was Montie Ray Wood. He passed away in 1986 . I remember Mack as such a nice, well-liked, and handsome young man in High School, although I am 6 years younger. He was one of the more popular boys that everyone knew. I am so sorry for the family in the loneliness after his passing. I know you have so many happy memories of your life with him and he will live on through all of you. I am a widow now so I think I know how his loving wife feels. God bless you all. Linda Wood Owens*
