“ Aunt Margie will be missed. I have many good memories with her, including our visit when I was about age 10, and the last visit a couple years ago. I'll always remember when my husband and I got engaged in florida she sang a song for us and we were able to dance our first dance as an engaged couple. She had a beautiful voice. I'll see her again someday in heaven.

“ Aunt Margie was a beautiful and kind person. I remember mom taking us to TX to visit her, Laura and Uncle Bill. We loved to stay with her, and hear her sing. Years later, she came to TN and stayed with us. We loved listening to her sing during karaoke night. Her beautiful smile will be missed.
