“ Mark has been a friend for most of my life. We used to hang out some as teenagers. I've never met a nicer person. Mark would always help you with anything he could. He was also my "radio buddy" and had just received his technician class ham radio license. We would talk about radios and other stuff for hours. I'm going to miss my buddy. My condolences to the family

“ Mark and I met back in the 1980's through Tony Calvert. We enjoyed fishing and watching the Cowboys, but most of all going to Gilmer Buckeye playoff football. He was someone you could call on if you ever needed anything. I consider him a good friend and offer my sincere condolences to his family. He will be missed...

“ I first met mark when I was in the 5th grade and he was in the 6th. It was in the summer at vacation bible school at FBC Gilmer. We have been close friends ever since. I still remember the fun times in junior high and high school on the cb radios and just hanging around with other friends. He was always fun to be around and loved a good laugh. I'm sure going to miss him. Rest In Peace my friend.
