“ I took Mark to school and he was my son’s best friend for a long time. He lived a block away from me and I loved Mark so much. I remember he never wanted to be late to school because he was going for perfect attendance and boy he got it 😍 I was so proud of Mark. We lost contact with him for several years while he was getting married to the Beautiful wife of his and having his beautiful son. My son was upset because he was planning to see Mark but did not make It 😞 I’m so sorry for your loss Timberly, No words to say to make you feel better

“ *What a friend I had!! Mark made me laugh and cry on many occasions, and it thankful for every moment we had together on the volleyball court! He never took it way in me, he toughened me up and taught me to fight for what I wanted! He was always so gracious to me and my family during the hardest time of our lives when loosing my baby brother. Mark was a guy that always showed up for us and showed his character was pure and kind! (Unless we were on the volleyball court lol) may family and I considered him and Mikey our brothers! After years of knowing Mark, we realized the most important and valuable thing to him was his son and wife! He adored them both with all he had, he was so proud to call them his and looking back now I'm so thankful he got to experience the love of being a husband and father! He succeeded at everything he did, being a father, husband, brother, son and in my personal experience, a friend! You are going to be missed mark! -The Rios Family*
