“ *How I came to know Marlin was through his sister Lorenza or Danielle. She and I are good friends. In school Marlin was intimidating and most the kids were scared of him. Marlin was the exact opposite from what we all thought. His heart was ever so caring, full of love and happiness. He will ever hold a place in the hearts of many people. God bless his family and God bless Marlin. Rest In Peace and until we all meet again.*

“ Marlin was a year older than me, and i went to school with him from elementary through graduation. When we were little, we were all scared of Marlin cuz he was the biggest guy around. Little did i know at the time, until i really got to know him well in high school, his heart and presence was 10 times bigger. Ive never met anyone who disliked him or had a bad thing to say about him. The terms gentle giant, and big ol teddy bear, could not apply more. One of the nicest people ive ever had the pleasure of meeting, and was proud to call him a friend. Rest in peace brother. You will be missed beyond measure.
