“ This woman showed the rest of us how to be loving, funny, giving and kind. She had a way of making everyone she met feel like an old friend. She demonstrated how to be a woman of honor and grace. I strive to carry on her spirit every day. Rest in glory Aunt Lynette. I love you Uncle David and all my cousins. I'm sorry we've lost her but so grateful to have had her. Her spirit lives through us all.

I worked with Lynette for many years at Longview Regional on IMC. She taught me many things about bedside nursing and caring for others!! I will always remember how caring and dedicating she was to her patients and to me to be the Best I can be as a nurse. Praying for her family in their time of need! Love and Prayers ❤️

“ My life would not have been complete without Lynette. She helped raise me, and she was my best friend and matron of honor, who, even when I was 10, she always made me feel important and special. She asked me if I thought she'd been a good person and had lived a good life. I told her I'd never known anyone who could live up to her example.
Our loss is Heaven's gain.
