“ I’ve been searching for a particular memory of Martha to share but there’s not just one—I had 54 years of beautiful memories and love for her. She was so many things: always kind, devoted, loving, selfless, giving . . . the list could go on and on. She was the heart and soul of two families, the Hartnetts and the Russells, their rock and their solace. She was all about family—there in an instant if any of us needed her. She was an organizer and we could count on her in every situation be it a catastrophic event or a family gathering. She was an incredible cook and hosted the most amazing family holiday celebrations. Yes, I have so many memories because Martha was more than my sister-in-law; she was my beloved friend and will be missed sorely.

“ This lady and I shared more memories, experiences, road trips & love than words can express. She has been my family since I was 16yrs old. I hold dear all the hours of car conversations we shared & the thousands of miles. She taught me to cook as I became a wife & mother. She helped love, nurture & care for my girls. The most caring, loving & thoughtful person you could have in your life. You will be dearly missed Nannie. We shall have comfort knowing that your Angel Wings will be surrounding those left here on earth.

“ So many memories to share , the most resent memory is at Russell's Diner, Nannie had just got finished with her famous beans, so I grabbed her up and hug her as tight as I could with a kiss on the forehead, after she replied "what is it that you want now?" LOL. Nothing Nannie just wanted to hug my beautiful NANNIE!
