“ Mary Alice was always so kind to me. I don't remember ever seeing her without a smile on her face. I've been told that she and my Aunt Rebecca were really close friends, similarly to mine and her daughter, Shammys, close friendship. Because Shammy and I have been best friends since high school, I have been blessed to have spent time with her and her family and have always been welcomed and made to feel as if I were part of the family. To her family, I know she loves y'all so very much and awaits the day she will be reunited with y'all again. With all my love and prayers, Melissa (Langford) Lanning.

“ *My first childhood girlfriend, as I met her at the age of 12. She was my protector, my dear friend. She was the last of our childhood friends. I will remember her smile and gregarious lovely friendship. Her laugh was infectious and she was a naturally happy free spirit.*
