“ Mom- I miss you everyday and wish I still had you here. Thank you for everything you taught me that has made me the person I am today. Thank you for being there for Kamryn, and always being there for me to talk to. I know you are at peace but I wish you had not had to go so soon. I love you to the moon and back.

“ *Mary Beth and I met in graduate school and shared many laughs and tears. I will admit, Mary Beth was so brilliant and always made excellent grades. She had a knack for analyzing the course content better and faster than the rest of us. We shared many stories about our work environments and were able to swap therapy ideas. During our two years of graduate school I was able to meet her two children Ashley and Joel. They too were able to inherit Mary Beth's intelligence. Although I have not seen them in years, I have no doubt that her children have been able to pursue successful careers because of their inherited intelligence from Mary Beth. I miss the camaraderie I had with Mary Beth. I pray that her children will always remember the love Mary Beth had for them. Mary Beth will be missed. Go with God Mary Beth. I love you. Dian Harrell*

*Mary Beth and I met in our very early teen when she and her mother came to the Fair Park Rollerway in Marshall. She was a little spitfire and we hit it off right away. We spent every weekend together. Her mother and mine sat together at the rink and formed a great friendship. We had many adventures together. When I married and moved away, we lost touch. I was so excited when I found her again. She was such a vibrant smart young woman. I will cherish our friendship forever. She will always be part of my heart. I love you my longtime friend. Rest In Peace, no more pain. Till we meet again.....❤️*
