“ I have a special place in my heart for Matt. He always greeted me with the biggest smile, hug and a "Hello, Miss Denise!" He was always so caring and thoughtful, especially for his Mother. And yes, he did give the best shoulder massages! Heaven has truly gained an angel, who I'm sure will continue to share his love and joy on the other side. Linda, my thoughts and prayers are for you, Michele and family to be blessed with comfort, strength and peace.

“ Matt was very special to our family. My daughter Samantha was always good friends with him in school. Even after they left high school and we would see him at Walmart, he never failed to say hi and give a hug followed with a "how is Sam?" We all send our prayers to Matt's family.
