“ *Granny B. was an amazing lady. I enjoyed listening to the many stories of the things she had been through, seen or done in her lifetime. She dedicated her entire life to her family. She not only raised her children but her grandchildren and was a huge part of the upbringing of her great grandchildren. Her children and grandchildren always knew she was there if they were ever in need. She is dearly loved and will be missed.*

“ *My granny was one of a kind...She worked hard all her life and loved every minute of it. My fondest memory of my granny was staying with her and watching prices right until her soaps came on and she ran us outside lol or coming in from school and her giving me the entire cool whip bowl right before dinner. She always made sure her baby was a happy girl and I will forever miss her.*
