“ *My fondest memory of Aunt Pam was when she and uncle Donnie stayed with our family way back when the twins were just babies Pam and Donnie would put on some music and dance with all of us kids. They were such a great couple now they are dancing together again. Until we meet again you will be in our hearts.*

“ *We love ya so much. We will miss her and remember all the times with her and our family. She loved her family, her dogs and she loved making us all happy with her fudge, which was the bomb, and her giblet gravy, which was the best, among many other things she did for others. We love you and will miss you. Now in no pain and rejoicing in heaven with her husband and family.*
