Tribute Wall

“ *Dear Bambi, Your grandmother was a true friend to me when I needed one during the Gulf War when we both had sons in service. I'm sure you remember watching Autumn and Lori while we packed cookies in care packages for our troops. She was so talented in sewing and crafts. Sorry I didn't make it to visitation. It gets dark so early and I never was the best driver. God bless you as you remember all the good things she shared with you. She was special.*
