“ *I just learned of Patsy's passing with a post on Facebook. Patsy was my dear friend whom I met in the Dallas airport on a trip to New York. We had so much fun there, that we made more trips together to New York to see the shows and explore the "Big Apple"! She was such a sweet person and always a lot of fun. I enjoyed meeting several of her friends who would travel with us. While I was living in Tyler, we would meet between Tyler and Gilmer to have a long lunch together. I remember how Patsy loved to play the stock market on a daily basis. We never ran out of things to talk about! Now I live in Spring, Texas and the last I heard from Patsy was in a Christmas card. I am so sad to hear of her passing. My sincerest sympathy and condolences to all her family. She will be missed.*

“ *Ms. Patsy was my 2nd grade teacher, then our librarian. She was the teacher who taught me to tell time on an analog clock. She helped me and others through my student years at Union Hill. I knew her and her family my entire life. She was involved in all things at school; football, basketball, band, concessions, Yamboree, etc. She really cared about all of us and the spirit of UHS. Nela and Marty, you had a great mom and she will truly be missed. Love and prayers to you and yours. Angelia Montgomery Briggs.*

“ My heart is broken, though i knew it had to happen someday. I truly loved Miss Patsy, as i am sure many of her prior students did. To this day she has always been one of my favorites, if not the favorite teacher. I had her in both 3rd and 4th ('62-'65) grades and i never heard a bad word about her. She was well respected by her class and the school. I know everyone will miss her, i know i will. Love you, Miss Patsy.
