“ Dear Bo & families: Our sincere prayers go out to all of Patsy's relatives as we are so sorry to hear of her passing recently. She was a precious dear friend of our mother, Grace Blanton, as they were long time tennis buddies, playing cards & traveling around together for many years. May Jesus give each of you comfort in the days ahead.

“ *Patsy was truly a blessing to me and my family. She was soooo good to my sweet mother. She lived next door to them for years. When mother was no longer comfortable driving, Patsy made it a point, everytime she went to the grocery store or WalMart to call and ask if she needed anything...if she did, she shopped for her and then delivered it! Mother truly loved Patsy. She had a servants heart. So glad to have known her.* ”
