“ *Some people would say you're not my real Dad
but we know this isn't true.
For you've been a Real Dad to me
in all the things we've been through.*

*We've had our ups and downs
sometimes its hard to bend
But you've always been there when I needed you
and that's what matters in the end.*

*You've been patient, kind and firm
over the years as I've grown
And I'm eternally grateful to you
because you've treated me as your own.*

*Although we're not tied by bloodlines
the Love and Trust you've given me
Is a precious gift, day after day
and that's what counts as a Real Dad to me.*

*I'll forever be grateful for the time we shared and everything you
taught me. From driving tractors to working on the biggest
machinery on this planet. I love you Dad*
