“ Seems like yesterday, we were working at the Walmart Store #146 in Gilmer. We had a lot of laughs and we were pretty good on our Walmart bowling league. Lots of good memories, Sweet Friend. So hard to believe. We are praying for your family for comfort. Rest in Peace my Good Friend. Lorece and June Phillips

“ Nelly was such a beautiful light wherever she went. She had a way of making my problems seem not so big when she was around. She always seemed to see the good in everyone. I wish I could be more like her, we will miss you Nelly! We send our love to you, and condolences to your family.

“ *I am so very sorry to learn of the passing of my friend, Rae Nell. I have many fun childhood memories shared with her. We spent many hours running the roads of Kelsey. I, also, would spend the night with her, and she helped me with my math homework! She showed me her treasured paper dolls made by Genice Bryant! I will miss Rae Nell ❤️*

*Rae and I have been friends for as long as I can remember. Oh what fun we had and what trouble we found to get into! 😊 We stayed close for many years having sleepovers into our 20's and never a dull moment. She has always been like a sister and so precious to me !! In recent years our visits were on fb always promising to spend a day together... but life, illness, and grandkids usually took our time away. I will always regret that. I love Rae so much and cherish my memories!! Until we meet again, my beautiful friend, peace and love... ❤️❤️*
