“ *Today, I stand with a heart full of sorrow but also love as I struggle to find the words that can capture the void that I'm feeling right now by the passing of my beloved big brother Ralph A Jefferson. But even in this aching grief, I'm grateful. Grateful that I was able to have spent some time to say goodbye and that I love you and always will, I miss you. I'm grateful for the memories we made as brothers and grateful that I was able to call you my big brother, my friend.*

Ralph A Jefferson, saying goodbye to you seems so difficult, big brother. I will only say thank you for sharing your life with me. I will hold you in my heart and thoughts where you will stay forever. I'm the last of the Jefferson brothers now and I feel a big void and lonely Say hello to all the family when you see them for me Ralph. Rest in peace, my big brother until we meet again!
