“ I've known Randall since 1981 when he worked at Crown Products. We lost touch but reacquainted many years later in church. He drove trucks where we also connected and later he came and visited Peace Fellowship in Diana. We've spoken on the phone several times and Randall always was faithful to share His passion for speaking the truth in love to others and how much he loved God. I will miss him so much. God's speed and I'll see you brother on the other side when I get there. Your friend in Christ, Gary Helms

“ *My brother, he gave me advice and I gave him advice but no matter what the decision Randall had my back and I his. He called me one night checking on me him and Hunny always looked out for me because Christopher worked out of town and I was working on one of my vehicles and needed a part, they got in the car found the part bought it and drove all the way out to my house to help me, Hunny played with Peyton and Randall crawled under the Jeep with me, I thought he knows what he's doing ...lol he looked at me and said sister your going to have to give me directions or tell me what tools you need. So we fixed it. We had many good times too many too count but I'm thinking on them. He is a good loving God fearing man who loved his family.*
