

Pastor Ray Thompson

October 9, 1946 - May 11, 2024

Pastor Jackie Ray Thompson passed peacefully into the presence of Jesus on Saturday, May 11, 2024, at the age of 77 years. Bro. Ray, as he was affectionately called, was a loving husband, father, grandfather, pastor, educator, and friend.

Ray was born on October 9, 1946, to Jack and Vera Mae Gray Thompson in Mineola, TX. He accepted Jesus as his Savior in Sand Springs Baptist Church at the age of 11, under the preaching of Bro. Jack Burgess.

Ray graduated from Quitman High School in 1965. In July that summer, he felt the Lord calling him into the ministry, and was ordained by Sand Springs Baptist Church.

Ray married Maeva Poole on March 25, 1972, and they were married for 52 years. Other dear family members left to cherish his memory are his daughter Melady Thompson of Gilmer, TX; his son, James Paul, and his wife Meagan of Gilmer, TX., and three granddaughters that he adored, Molly, Kara, and Anna Thompson. Other family members surviving Ray in death are his brother, Jimmy Thompson, and wife Mary of Golden, TX.; his sister, Rosa Davis, and husband Ronnie of Mineola, TX.; and many nieces, nephews, cousins, and friends. He was preceded in death by his parents, Jack and Vera Mae Gray Thompson; and a dear nephew, Jamie Thompson.

For 59 years he served pastorates at Coldwater Baptist Church, Winnsboro, TX., Calvary Baptist Church, Gilmer TX., Enon Baptist Church, Gilmer, TX., and Forest Hill Baptist Church, Quitman, TX. Bro. Ray embraced servant leadership, sharing in special life moments with these church families for over five decades.

He served as President of the Baptist Missionary Association of Texas and in many other leadership roles, including the Board of Trustees of Jacksonville College. In 2021 he received a Certificate of Resolution adopted by the Senate of the State of Texas honoring his service in ministry.

Ray also carried this servant's heart into his career and ministry within the field of education. As a student, he earned an Associated of Arts Degree from Jacksonville College, a Bachelor of Arts from East Texas Baptist College, Marshall, a Master of Divinity from Baptist Missionary Theological Seminary, Jacksonville, a Master of Education from East Texas State University, and earned a Doctorate in Educational Leadership from Stephen F. Austin State University. He taught in and served as superintendent of public schools for 26 years and worked for the Texas Education Agency. He served as an instructor and administrator at LeTourneau University. At the time of his passing, he was a Professor of Education at Texas A&M University-Commerce, where he had led the Superintendent Certification Program, mentored doctoral students, and chaired their doctoral dissertations. He received the CLASS Award from the University in 2020 for excellence in the academic performance of his students. His servant's heart was most evident in his devotion to his students and their success.

The funeral service for Pastor Ray Thompson will be held at 10:00 am, Wednesday, May 15, 2024, at Enon Baptist Church. The ministers officiating will be Michael Pool, Fred Morrow, and Alan Metzel. Interment to follow at

Grice Cemetery. The family will receive friends 6:00 pm- 8:00 pm, Tuesday, at McWhorter Funeral Home.

Honorary pallbearers will be the men of Forest Hill Baptist Church.

The Lord accomplished his plan and purpose for Bro. Ray's life on Saturday evening. "Faithfull is He that called you, who also will do it." I Thessalonians 5:24

“ I am very saddened to hear that Dr. Jackie Thompson has passed away. He was my professor during the Superintendent certification program all of last year and even into winter mini this year. Dr. Thompson was a patient, knowledgeable, and kind teacher who cared about his students and his work. His words of encouragement will live in me and continue to inspire me to reach my goals. Many blessings to his family. - TAMUC doctoral student, Blanca E. Rojo

“ Dr. Lindsey Lloyd - Texas A&M University-Commerce graduate - 2022. I was saddened to hear of Dr. Thompson's transitioning. Dr. Thompson was on my dissertation committee and I enjoyed and appreciated his candor. I felt that I had done a very good job with my dissertation and the path that I had taken with my background. He and I connected (I have been married for 52 years as well). He related to me and I felt his aura of goodness and sincerity. I wish his family solice and a good life in knowing that he contributed to the education of diversity in everyone. Thanks, Dr. Thompson, job well-done.

“ I remember Ray as a sincere and dedicated servant of our Lord. We were students together at Jacksonville College and BMA Seminary. Ray was an encouragement to me, especially when he asked me to fill in for him at Enon Baptist Church back in the 60's. May all his family and friends know God's presence at this time.

“ My family and I were so blessed to be members of Enon Baptist Church for several decades. During that time we knew that if we were at church there , we would be fed the Word of God. What a joy to hear the Truth! That made a tremendous difference in our lives and we saw God work in others lives. That is everlasting! We love you Maeva and Melady and James Paul. Praying for God's strength and comfort.

“ Ray Thompson is as fine a man as they come. He was a very wise and gifted gentleman that led with common sense. I enjoyed his leadership while I was a part of the Baptist Missionary Association. Most of my experiences with him were related to that work. He held many roles and always carried them out exceptionally well. He will surely be missed by his wife and family, the community and the church. My sincere condolences to Ray's family. God bless you all.

“ *I became Dr. Thompson's student for doctoral candidacy this semester and was absolutely blown away at his gentle spirit and kind disposition. There was no question as to whether he was a child of God and the location of his heart. Dr. Thompson was solid. He was present in conversation, compassionate with matters of life, and always a reassuring presence in the face of great trials. I told him several times I wanted to be just like him one day. We shared the love of music and worship and discussed it at length. He was pure joy.*

God knew I needed him in my life and He allowed our paths to cross for a short time, but a beautiful one.

Heaven is definitely more precious now. I was hoping to hug his neck at graduation in August. I will just have to get that hug in heaven.
