When I'd come to East Texas as a mere child ,I always hanging out with Becky and Dee Dee. We would go to the Yambroree, spend the night with each other and so I always just consider Becky and her family as mine. She was always so much fun and so kind. You will be missed sweet lady. “ Sweet Becky you'll be missed by many. I'm glad we reconnected on FB and messaging. Your family will always hold a special place in our family's hearts. We love you and are thankful that your not in pain or suffering but our hearts are broken for your family as well as us that your not here anymore. We had so much fun when we were younger. I've said this many times and I'll continue to tell it. We were outsiders when we first started coming "to the county" because we were from the "foreign city of Dallas " at that time but your family welcomed us with open arms invited us into your home as extended family. A lot has changed since then but we'll never forget it and our love for your family never will. Rest peacefully and fly high beautiful angel.
