“ Thank you Byron for always having a great sense of humor and being an inspiration to so many people including myself. You always told me to get back in school and I have decided to get on the ball and enroll this fall, thank you for the inspiration. You will be missed dearly and have shown me that even in our darkest tribulations, there is always a light at the end of the tunnel. Condolences to your family, you are an amazing person. Much love from Michael Quick and Sylvia Knight
