“ *Uncle Ronnie was one of the kindest people I know. He loved Aunt Clema so much and she loved him. What a privilege to have this photo. I visited from Maine a couple of years ago and got to spend time with both. I love you Aunt Clema. Wish I could give you a hug. We WILL see Uncle Ronnie again.*

“ Some of my fondest memories from childhood are with my grandpa. When I was 8 or 9 I remember Corby & Karlee's wedding and how fun it was dancing with him, he loved to dance. When we lived in Huntsville and he would come visit we would go into the woods looking for animals and sampling tree roots. He told me if I didn't be quiet we would never see any animals and about that time a baby deer ran by. Everyone was always eager to make grandpa happy because he was such a great man and we loved him so much. He was funny and had that calm, strong presence. My love of nature and animals definitely was inspired by him. He walked across a river of pure snow melt with water so cold it felt like needles, just because he wanted to see what was on the other side. Lots of little memories that I will cherish. He was a great listener and was also not afraid to talk, he was open minded and interesting. He could speak French and still knew how to tie all those knots he learned in the Navy. I'm sad to know that our time with him is in the past, yet I'm excited for him to have a new adventure.

“ My father was the best Daddy in the world. He loved to camp and sail. And he loved the nature. He was always telling me names of trees. He and Mama took us to Big Bend a lot to camp each year. He was always so loving and kind. Joking and laughing so very witty. He will live on in my heart.
