“ Mr. Murrell was a fabulous person and educator. He was a daily example to his students and was loved by all at Stafford MSD. He was also an excellent tour guide, For many years he took his Advanced Placement English classes to Europe. Our daughter was fortunate to go on two of these trips. As a parent of one of his students, and also his sub for many years, we were all sorry to see him retire. He longed for home and retired to be with his family and care for his parents. Rest in Peace Mr. Murrell. You will certainly be missed by everyone that had the pleasure of knowing you.

Roy is first cousin, and has always been one of the nicest, kindest people I have ever met, he was very, very dear to my mother, and family, and definitely someone to look up to. I will always remember his laugh, and his smile, he was always smiling and happy, Heaven just became alot brighter...
