“ I learned musical harmony while singing with Mom and life lessons while riding with her. Mom has not been able to drive for these past 3 years and spoke of how wonderful it would be to get out on her own again. During that time, she stayed with Gary and Margie working through her cancer treatments. I believe that if it had not been for them, she would not have enjoyed life as well as she did. Mom was not perfect, but she loved us all. Mom made a point to teach each one of us salvation through the Lord Jesus Christ. Mom is walking those streets of Gold with no more pain. Wayne Oney
