I remember in 2017-2018, I would always spend my free time in her room.. she always loved to get her hair braided. I enjoyed her company and all the stories she told.. she really was one of the good ones. Sending prayers and positive vibes. ❤️

*Mrs. Sherry was so fun to be around, I always loved when she came to get her medicine when I was her med aide, me and her could talk for hours about anything. Then I when I changed positions and would take her to the doctor, those were the best trips especially the out of town trips cause laughing and talking is what we did... she wasn't just a resident to me, she was my friend!! She will definitely be missed*
