“ *Aunt Shirley will truly be missed. When I was a kid, she took care of me. I spent every holiday & Summer at her house. The sun shone just a little brighter with her around. She could lift your spirits with a smile and a kind word. My deepest condolences Doc, Wendy, Russ & Rick. Her strength and love helped make me the person I am. Thank you for sharing her with the rest of us. Much Love Aunt Shirley*

“ Everyone that knew Shirley loved her because of her contagious love for others...I have known her for several years ...Back when the kids were little we met and instantly became good friends...Ricky and my Daughter was in the same grade at Union Hill...When they started Kindergarten Mrs Norma Steger was their teacher and she would always let Shirley and I know when she needed help with a party etc...Shirley and I wagged Kool Aid, cakes and cookies to everything and it didn't end there LOL We carried things to parties and planned things for the kiddos for the 13 years the kids were together in school..We was known as the "Kool Aid" Mommas...Oh yes Shirley was one lady no one can ever forget...Love you Girl RIP

“ Shirley was a very sweet lady. I have many fond memories of growing up next door to the Davis family on Cherokee Trace. When she & Cliff lived in a little house in her parents yard, she had 2 small red vases & my mom had 2 small green vases only difference was the color. She asked my mom if she would trade vases with her because the green would match her decor better. Of course, mom traded with her. Love & Prayers to all her family and friends
