“ We were blessed and honored to have Shirley in our lives! We always enjoyed the family dinners and visits with her tasty cold ice tea. Always with a smile and wit, she kept the Arden boat afloat. She would unselfishly place her needs and wants secondary to both the people and pets around her. We look forward to the time we are reunited again with her and get to meet all her ancestors that she would tell us about. We are better individuals for having even a small part of her in our lives!
