“ Simeon and I were very close. He was an absolutely amazing individual with so much love to give. If he knew someone needed help, he would go out of his way to make sure he helped them. He offered so much guidance to people in his life even when it wasn't convenient for him. He truly was a very bright and talented young man and he will be missed greatly. Love you Simeon! Continue spreading your light in heaven!

“ I learned of this devastating loss to the community from a customer at work yesterday. I Always looked forward to picking up my order at Tractor Supply because he knew my name and would ask me how our goats are doing and how my new job at Walmart was going. My deepest condolences to the family and friends of this young man.

“ I am so very sad to hear this news. I met him at Tractor Supply and I instantly liked him. From that point on he would help me with whatever I needed when I came in. He was so sweet and kind. My goodness, I am going to miss seeing his smiling face at Tractor Supply. This is devastating news. Bless the family and bless his mother and father for raising such a great young man. -Shanna Stevens of Gilmer.

“ I am so sorry for your loss. I did not know Simeon but if he was anything like Malachi, I know he was a wonderful young man. I pray the Lord bring you all peace and comfort during this most difficult time.

“ Such a wonderful young man. I remember when he moved to Gilmer HS and he instantly fit in and had immediate friends. I would always tease him about how mature he was and that it was like having a conversation with a 40 year old man. So mature and beyond his years. He was a light for many at GHS. So sorry for the loss.
