“ Wow! It's been 5 years now and I haven't come to grips with you being gone. I still wonder if the last time I saw you if I would have done things differently that day at the Dollar store would you still be here. All I could think about that day was keeping you out of trouble that neither one of us needed. Every time now when I come home to Gilmer I still go to the DQ and sit by the window waiting for you to walk by. In our last years together God always made sure that when I would go there to eat it would always guide you that way for us to see each other. I know that when he is ready we will meet again at the DQ in Heaven.

Love you and Miss you

“ I am so saddened by this loss. I was the manager at the rentacenter in gilmer. And he would keep me company by coming n the store. We would have great conversations. I remember one day I forgot my wallet and was trying to figure out what I was going to do. When steven came in told me he had went to Burger King and got two whoppers. He gave me one. God is always on time. He will truly be missed

“ What though the radiance that was once so bright, Is now forever taken from thy sight, Thou nothing can bring back the hour of splendor in the grass, of glory in the flower, we will grieve not rather find strength in what remains behind. May this dear son of Gilmer rest in the arms of the Angels, far far away from the troubles and burdens of this World. I've been in Gilmer by way of Selma, Alabama about three years. This man Crittle showed me some qualities that many lack in today's world namely: Humility, kindness, respect, civility, gratitude, generous of heart and spirit, and displayed a compassion for his fellow man. Regardless of his lot in life or in so called society he was a giant among men. Christ teachings urge us to remember the poor, read I Corinthians chap. 13. Those that many consider the least in our so called society may hold the highest standings in the eyes of God. I would see him off times around Joe's Place and he displayed a humble quiet pleasant spirit as he paced the city streets. Many days he would come by Joe's and say Mr. Joe or Mr Ray I brought you some fruit, a piece of candy or ice cream ect. I am proud how the citizens of Gilmer cared for him and he is eternally grateful. He no longer has to carry the heavy burdens of this world and has found peace. The last thing he said to me on the Square is Ray you're a good man, you're a good man, I replied Mr. Crittle so are you. Yes our world needs more of Mr. Crittle qualities of humbly caring and sharing and being respectful ,civil,compassionate, and generous. I will never forget his quiet kind ways. My prayers and condolences to his family and many friends. Atty. Ray Charles Thomason (Ala.)

“ Steven was my classmate from Union Hill. He always had a good heart, very competitive and blessed with so many talents. He would race you, then sing, dance and crack a joke while flashing that smile. I haven't seen Steven since HS but I know life hit really hard after his mother passed. Steven grew up in church and he knew Jesus so I know he has peace and comfort. I'm sure his mom is playing the piano and he is singing his heart out. Rest easy classmate you finished your race and earned your crown.

“ Steven Criddle was my classmate, teammate and friend. We spent hundreds of hours practicing sports and playing sports together. He was a good person. Last time I saw him was at the Yamboree in 2016, it was our 20 year reunion and unfurtantely he didn't come to the reunion but I did see him. I haven't lived in Texas since 1997, but when I came back to visit it was good to see friends like Steven. I am sorry he struggled so hard, we all have struggles, some worse than others and different struggles. But your struggles don't define you as a person. He can now rest from those pains and struggles, I'll will miss you Steven.
